Subject Index

Abdomen
  Limited incisions in abdominoplasty (Cardoso de Castro et al), 436
Abdominal wall
  One-stage abdominal wall reconstruction with oblique abdominal fasciocutaneous flaps (Iwahira et al), *case report*, 475
Abscess
  Previously undescribed treatment for persistent peritoneal-perineal fistula following proctectomy (Browder et al), *case report*, 563
Airway obstruction
  Uvulopalatopharyngoplasty as a treatment of obstructive sleep apnea precipitated by uvular prolapse (Cadieux et al), *case report*, 566
Alopecia
  Calvarial erosion after scalp expansion (Hemmer et al), *case report*, 454
American Board of Surgery
  Subspecialization in surgery: can it be stopped? (Mannick), *editorial*, 1
Aneurysm
  Internal pudendal pseudoaneurysm complicating an ischial pressure sore (Wang et al), *case report*, 381
Antebrachial cutaneous nerve
  Medial antebrachial cutaneous–lateral femoral cutaneous neurotization in restoration of sensation to pressure-bearing areas in a paraplegic: a four-year follow-up (Louie et al), *case report*, 572
Antineoplastic agents, adverse effects
  Cytostatic extravasations, with invited comment by David L. Larson, M.D. (Preuss and Partoft), 323
Arm
  Pretransfer expansion of a sensate lateral arm free flap (Shenaq), *case report*, 558
  Total arm flap (Becker), *case report*, 466
Arm, abnormalities
  Single-stage correction of constriction ring syndrome (Di Meo and Mercer), *case report*, 469
Arteries, physiology
  Prediction of internal arterial diameter from measurement of external diameter (McGregor), 217

Bites and stings
  Wound contraction as treatment of dog bite avulsions of the lip (Miller), 42
Blacks
  Dupuytren's disease in blacks (Makhlouf et al), 334
Blepharoptosis
  Ocular myopathy with palpebral ptosis (Olenius and Nylén), 146
Bones, transplantation
  Osseointegrated denture in a vascularized bone transfer: functional jaw reconstruction (Lukash et al), *case report*, 538
  Vascularized skull bone grafts in craniofacial surgery (Bite et al), 3
Book critiques
  Advances in plastic and reconstructive surgery, vol. 2, edited by Habal et al (Sergott), 93
  Anthology of plastic surgery, edited by Hayes (Morain), 389
  Atlas of the Qatari method for treatment of burns, by Al-Baker (Papalian), 387
  Child with multiple birth defects, by Cohen (Kaplan), 484
  Essentials of plastic, maxillofacial, and reconstructive surgery, edited by Georgiade et al (Lash), 484
  Major ambulatory surgery, edited by Davis (Cannon), 386
  McCraw and Arnold's atlas of muscle and musculocutaneous flaps, by McCraw and Arnold (Rosen), 388
  Non-chew cookbook, by Wilson (Vistnes), 386
  Oral histology: inheritance and development, by Provenza and Seibel (Schendel), 93
  Problems in aesthetic surgery, biologic causes and clinical solutions, edited by Rudolph (Hovey), 94
  Proceedings of the second vienna muscle symposium, June 14–15, 1985, edited by Frey and Freilinger (Morain), 197
  Recent advances in plastic surgery, No. 3, by Jackson and Sommerlad (Barnett), 482
  Rhinoplastie esthetique, by Aiach and Levignac (Vistnes), 483
  Surgical correction of intersexual genitalia and female genital malformation, by Hecker, translated by Telger (Laub), 197
  Surgical management of the burn wound, by Heimbach and Engrav (Falces), 483
  Treatment of shock, principles and practice (2nd Edition), edited by Barrett and Nyhus (Holder), 198
  1986 yearbook of hand surgery, edited by Dobyns and Chase (Newmeyer), 95
  1986 yearbook of plastic and reconstructive surgery, edited by McCoy (Rosen), 198
Brachioradialis muscle
  Results of treatment of recurrent dorsoradial wrist neuromas (Mackinnon and Dellon), 54

July issue, pp 1–96; August issue, pp 97–200; September issue, pp 201–296; October issue, pp 297–390; November issue, pp 391–484; December issue, pp 485–xxx.

Breast augmentation
Fibrous capsules around static and dynamic implants: their biochemical, histological, and ultrastructural characteristics, with invited comment by Mary H. McGrath, M.D. (Laitung et al), 208
Observations of cell function and morphology in the presence of silicone gel: an in vitro study (Cocke et al), 406
Outcome of mammary capsulotomies (Moufarrege et al), 62
Vitamin E and capsule contracture (Caffee), 512
What size prosthesis for augmentation mammaplasty? (James), 294
Breast diseases
Tubular/tuberous breast syndrome (Dinner and Dowden), 414
Breast innervation
Breast sensibility: a neurophysiological appraisal in the normal breast (Terzis et al), 318
Breast reconstruction
Achieving a natural inframammary fold and ptotic effect in the reconstructed breast (Dowden), *overview*, 524
Nipple-areolar reconstruction with buried dermal hammock technique (Mukherjee et al), 421
Submuscular breast reconstruction: a one-stage method of tissue expansion (Pakiam and Young), 312
Thermography after subcutaneous mastectomy and reconstruction with silicone gel prosthesis: a pilot study (Ringberg et al), 297
Breast reduction
Galactorrhea: a rare complication following reduction mammaplasty (Bruck), *case report*, 384
Preoperative breast marking in reduction mammaplasty (Gasperoni and Salgarello), 306
Breast reduction, adverse effects
Convergent nipple-areolar complexes corrected by inferior curved pedicle technique (Salema et al), *case report*, 555
British Association of Plastic Surgeons
Plastic surgery in Great Britain (Deane), *guest editor's introduction to the British issue*, 202
Burns
Cardiomegaly following extensive burns (Mukherjee et al), *case report*, 378
Management of acute facial powder burns (Zamboni et al), 158
Surgery of postburn defects and deformities of the face (Kobus), *how I do it*, 162

Carcinoma, microcystic adnexal
Microcystic adnexal carcinoma: an unpredictable aggressive neoplasm (Hamm et al), *case report*, 173
Cartilage
Role of perichondrium in modifying curved cartilage: an experimental study (Oneal et al), 343
Cartilage, growth and development
Histological study of the development of cartilage after perichondrial vascularized grafting (Hosokawa et al), 515
Case reports
Applications of the extensor digitorum brevis muscle for soft tissue coverage (Hing et al), 530
Calvarial erosion after scalp expansion (Hemmer et al), 454
Cardiomegaly following extensive burns (Mukherjee et al), 378
Closure of a palatal fistula by a free tongue composite graft (Nakayama and Soeda), 75
Convergent nipple-areolar complexes corrected by inferior curved pedicle technique (Salema et al), 555
Cutaneous leiomyosarcoma (Iacobucci et al), 552
Galactorrhea: a rare complication following reduction mammaplasty (Bruck), 384
Giant cerebriform intradermal nevus (Hamm and Argenta), 84
Internal pudendal pseudoaneurysm complicating an ischial pressure sore (Wang et al), 381
Latissimus dorsi free flap for coverage of sacral radiodermatitis in the ambulatory patient (Stark et al), 80
Magnetic resonance imaging for diagnosis and preoperative planning in agenesis of the distal vagina (Barach et al), 192
Management of skin loss in meningococcal infection (Ikeda and Capozzi), 375
Medial antebrachial cutaneous–lateral femoral cutaneous neurotization in restoration of sensation to pressure-bearing areas in a paraplegic: a four-year follow-up (Louie et al), 572
Microcystic adnexal carcinoma: an unpredictable aggressive neoplasm (Hamm et al), 173
One-stage abdominal wall reconstruction with oblique abdominal fasciocutaneous flaps (Iwahira et al), 475
Osseointegrated denture in a vascularized bone transfer: functional jaw reconstruction (Lukash et al), 538
Pediatric craniofacial remodeling instrument (Kloehn and Szarzynski), 187
Plantar digital web space island flap for reconstruction of the distal sole (Granick et al), 68
Pretransfer expansion of a sensate lateral arm free flap (Shenaq), 558
Prevention of stenosis after vaginal reconstruction using interdigitating flaps of skin and mucosa (Hawtof et al), 545
Previously undescribed treatment for persistent peritoneal-perineal fistula following proctectomy (Browder et al), 563
Single-stage correction of constriction ring syndrome (Di Meo and Mercer), 469
Solitary metastatic melanoma of the soft palate (Rintala), 463
Testicular autotransplantation after traumatic castration (Govrin-Yehudain et al), 65

Total arm flap (Becker), 466
Traumatic rupture of the extensor pollicis longus tendon (Milch and Epstein), 460
Treatment of bilateral axillary hyperhidrosis by suction-assisted lipolysis technique (Shenaq and Spira), 548
Use of microvascular island pedicle flaps for facial tissue defects (Arai et al), 181
Uvulopalatopharyngoplasty as a treatment of obstructive sleep apnea precipitated by uvular prolapse (Cadieux et al), 566
Cautery
re: Sachs and Bosniak: nonsurgical fat removal (Mangus), *letter*, 96
Chemexfoliation
Refinements in combined chemical peel and simultaneous abrasion of the face, with invited comments by Thomas J. Baker, M. D., and Bernard L. Kaye, M.D. (Horton and Sadove), 504
Chin
Screw fixation of silicone implants (Peled and Wexler), *gadgetry*, 195
Cicatrix
Simple new technique for injecting steroids into scars (Khoo), 291
Cleft lip
History of the repair of cleft lip and palate in Britain before World War II (Wallace), 266
Nostril sill augmentation in secondary cleft lip (Uhm et al), 391
Primary surgery of the prolabium in bilateral cleft lip and palate—a comparative study of two methods (Larson and Sällström), 141
Cleft palate
History of the repair of cleft lip and palate in Britain before World War II (Wallace), 266
Objectives for cleft palate repair (Pigott), 247
Primary surgery of the prolabium in bilateral cleft lip and palate—a comparative study of two methods (Larson and Sällström), 141
Colitis, ulcerative
Previously undescribed treatment for persistent perineal-perineal fistula following proctectomy (Browder et al), *case report*, 563
Conjunctiva
Conjunctival approach to the orbital floor and maxilla—advantages and disadvantages (Jackson et al), 46
Constriction ring syndrome
Single-stage correction of constriction ring syndrome (Di Meo and Mercer), *case report*, 469
Costs and cost analysis
Submuscular breast reconstruction: a one-stage method of tissue expansion (Pakiam and Young), 312
Craniosynostoses
Pediatric craniofacial remodeling instrument (Kloehn and Szarzynski), *case report*, 187
Decubitus ulcer
Internal pudendal pseudoaneurysm complicating an ischial pressure sore (Wang et al), *case report*, 381
Medial antebrachial cutaneous–lateral femoral cutaneous neurotization in restoration of sensation to pressure-bearing areas in a paraplegic: a four-year follow-up (Louie et al), *case report*, 572
Denture, partial, fixed
Osseointegrated denture in a vascularized bone transfer: functional jaw reconstruction (Lukash et al), *case report*, 538
Dermabrasion
Refinements in combined chemical peel and simultaneous abrasion of the face, with invited comments by Thomas J. Baker, M.D., and Bernard L. Kaye, M. D. (Horton and Sadove), 504
Dogs
Wound contraction as treatment of dog bite avulsions of the lip (Miller), 42
Doxorubicin, adverse effects
Cytostatic extravasations, with invited comment by David L. Larson, M.D. (Preuss and Partoft), 323
Dupuytren's contracture
Dupuytren's disease in blacks (Makhlouf et al), 334

Ectropion
Lower eyelid examination following blepharoplasty in the monkey (Dellon et al), 424
Editorial
Editor's introduction to the British issue (Vistnes), 201
Guest editorial (Sergott), 201
Plastic surgery in Great Britain (Deane), 202
Subspecialization in surgery: can it be stopped? (Mannick), 1
Enophthalmos
Surgical management of volumetric changes in the bony orbit (Pearl), 349
Esophageal fistula
Patch esophagoplasty with musculocutaneous flaps as treatment of complications after esophageal reconstruction (Chen et al), 448
Esophageal stenosis
Patch esophagoplasty with musculocutaneous flaps as treatment of complications after esophageal reconstruction (Chen et al), 448
Esophagus
Free jejunal transfer for the reconstruction of pharyngeal and cervical esophageal defects (Deane et al), 499
Exophthalmos
Surgical management of volumetric changes in the bony orbit (Pearl), 349
Explosions
Management of acute facial powder burns (Zamboni et al), 158

Extensor digitorum brevis muscle
Applications of the extensor digitorum brevis muscle for soft tissue coverage (Hing et al), *case report*, 530
Extensor pollicis longus tendon
Traumatic rupture of the extensor pollicis longus tendon (Milch and Epstein), *case report*, 460
Eye
Surgical management of volumetric changes in the bony orbit (Pearl), 349
Eyelids
Lower eyelid examination following blepharoplasty in the monkey (Dellon et al), 424

Face, growth and development
Anatomy and development of the pterygopalatomaxillary region, studied in relation to Le Fort osteotomies (Melsen and Ousterhout), 16
Face, surgery
Fibrous capsules around static and dynamic implants: their biochemical, histological, and ultrastructural characteristics, with invited comment by Mary H. McGrath, M.D. (Laitung et al), 208
Facial artery
Facial artery island flap (Piggot et al), 260
Facial bones
Vascularized skull bone grafts in craniofacial surgery (Bite et al), 3
Facial injuries
Management of acute facial powder burns (Zamboni et al), 158
Surgery of postburn defects and deformities of the face (Kobus), *how I do it*, 162
Use of microvascular island pedicle flaps for facial tissue defects (Arai et al), *case report*, 181
Facial neoplasms
Cutaneous leiomyosarcoma (Iacobucci et al), *case report*, 552
Facial nerve, transplantation
Static syndrome after cross-facial nerve transplantation (Nicolai and Robinson), 337
Femoral cutaneous nerve
Medial antebrachial cutaneous–lateral femoral cutaneous neurotization in restoration of sensation to pressure-bearing areas in a paraplegic: a four-year follow-up (Louie et al), *case report*, 572
Fibroma
Desmoplastic fibroma of the mandible (Green et al), 284
Fistula
Closure of a palatal fistula by a free tongue composite graft (Nakayama and Soeda), *case report*, 75
Flaps, buttock island
Viability and vascularization of an expanded buttock island flap in the pig (Min et al), 409
Flaps, circumflex iliac artery
Indications and long-term assessment of 10 cases of cross-leg free DCIA flaps (Townsend), 225

Flaps, dermal-fat
Convergent nipple-areolar complexes corrected by inferior curved pedicle technique (Salema et al), *case report*, 555
Flaps, fasciocutaneous
Complications of fasciocutaneous flaps (Dickson et al), 234
One-stage abdominal wall reconstruction with oblique abdominal fasciocutaneous flaps (Iwahira et al), *case report*, 475
Radial forearm flap: a versatile source of composite tissue (Hentz et al), 485
Flaps, instep island
Current concepts of instep island flap (Miyamoto et al), 97
Flaps, jejunal
Free jejunal transfer for the reconstruction of pharyngeal and cervical esophageal defects (Deane et al), 499
Flaps, microvascular
Use of microvascular island pedicle flaps for facial tissue defects (Arai et al), *case report*, 181
Useful arterialized flaps for head and neck reconstruction (Posnick and McCraw), *overview*, 359
Flaps, modified McFarlane
Dermofluorometric prediction of flap survival (Chowdary et al), 154
Flaps, mucosal island
Mucosal island flap to repair vermilion defects of the lips (Faga), 135
Flaps, muscle
Applications of the extensor digitorum brevis muscle for soft tissue coverage (Hing et al), *case report*, 530
Is experimental muscle flap temperature a reliable indicator of its viability? (Kaufman et al), 34
Latissimus dorsi free flap for coverage of sacral radiodermatitis in the ambulatory patient (Stark et al), *case report*, 80
Flaps, musculocutaneous
Achieving a natural inframammary fold and ptotic effect in the reconstructed breast (Dowden), *overview*, 524
Patch esophagoplasty with musculocutaneous flaps as treatment of complications after esophageal reconstruction (Chen et al), 448
Pretransfer expansion of a sensate lateral arm free flap (Shenaq), *case report*, 558
Reconstruction of the pelvis using a composite island flap salvaged from the remaining leg (Cooper and Waterhouse), 276
Useful arterialized flaps for head and neck reconstruction (Posnick and McCraw), *overview*, 359
Flaps, nasolabial
Facial artery island flap (Piggot et al), 260
Flaps, pharyngeal
re: Barot et al: surgical indications and techniques for posterior pharyngeal flap revision (Smith et al), *letter*, 390
Flaps, plantar
Plantar digital web space island flap for reconstruction of the distal sole (Granick et al), *case report*, 68

Flaps, skin
Effect of intravenous prostaglandin E_1 on experimental flaps (Suzuki et al), 49
Flaps, subcutaneous pedicle
Subcutaneous pedicle flap: widening of its applications (Nakajima et al), 103
Flaps, total arm
Total arm flap (Becker), *case report*, 466
Fluoresceins
Dermofluorometric prediction of flap survival (Chowdary et al), 154
Fluorometry
Dermofluorometric prediction of flap survival (Chowdary et al), 154
Foot, injuries
Applications of the extensor digitorum brevis muscle for soft tissue coverage (Hing et al), *case report*, 530
Foot diseases
Current concepts of instep island flap (Miyamoto et al), 97
Plantar digital web space island flap for reconstruction of the distal sole (Granick et al), *case report*, 68
Forearm
